It also frees School District #252 from liability in the case of an accident. Please be aware that Community Education does NOT carry secondary medical insurance on participants. Please check your own insurance for coverage before registering.

**WHEN TO STAY HOME:** One of the best ways to prevent the spread of illness is to stay home if you are sick. Keep your child home from class/camp if they have a temperature over 100 degrees without fever-reducing medication in the last 24 hours, if they have vomited during the morning or at night, or have an uncontrolled cough.
